

Athens

Athens is produced in Italy on European raw material with an average hide size of 54 sq ft. We lightly buff the hides to create a uniform finish. In the final step of finishing, each hide is sent through a roller press for its signature hair-cell print.

Features

- Lightly buffed to remove smaller imperfections from the surface
- Haircell print provides consistent coverage throughout the entire hide
- Good cutting yields
- Competitively priced
- Good hide size
- Short nap
