Atlas

Our Atlas Collection features an array of small repeating geometric inspired patterns on the surface of our Satin Suede base. Dynamic matte transfer patterns on a soft satin suede base create a stunning visual effect, injecting elements of dimension and texture that accentuate the leather's tactile qualities and luxurious nap. The end result is leather with enhanced durability that draws you in with its lavish glamour and modern elegance.

This is made to order. Production time is 2-3 weeks. Samples are stocked in limited quantity and may not be immediately available.
