

Berkshire

Born in Italy, Berkshire was designed with the intention of creating a casual, yet elevated aniline plus leather. Each hide exudes an authentic, worn-in aesthetic that is achieved through layering soft oils and waxes, followed by a light round of polishing and milling. This less-is-more approach in tanning highlights the natural features of this material.

Features

- Aniline dyed, waxed tannage
- Modern, vintage aesthetic
- Dressed with oils and soft waxes, polished and milled for character
