

Harness

Featuring an exceptionally soft hand and striking visual richness, Harness is a truly natural leather that exudes quiet luxury and timeless appeal. Crafted in Italy on the finest European raw material, it is inspired by the less-is-more approach used to create the world’s most exclusive saddle leathers. After tanning, hides are dressed with a clear, wax finish to highlight all of the leather’s inherent characteristics and showcase the expressive, natural tones that exist throughout the hides. With time and with wear, Harness will develop a stunning surface patina that will further enhance its authentic aesthetic.
