## RANDOLPH GRAND OTTOMAN

---

The Randolph Grand Ottoman is a statement addition to any room while also being slyly multipurpose. With its generous size, comfortable top, and sturdy construction, it's ready to do the work of a daybed, bench, or coffee table. The meticulous pleats add an unobtrusive dash of style while underscoring a small portion of the incredible talent and skill poured into this piece.

Each ottoman is handmade in North Carolina using firm but comfortable cushion and a robust walnut frame.

**CUSHION:** The ultra-down seat cushions consist of a 2.3 density ultra-cell foam core encased in a sewn cotton/polyester blend cover that contains a down, feather, and fiber mixture. The ratio for the mix is 50% fiber and 50% down and feathers. The 50% down and feather mix is 25% down and 75% feathers. All foam for seats, backs and internal parts do not contain added flame retardants. All foams are Cal-117-2013 compliant and do not contain PBDE's or formaldehyde.

**UPHOLSTRY:** Please note fabric and leather dye lots vary. Pieces purchased separately or at different times may have variations in color.
